Nutrition Education

Fit By Choice

Fit By Choice is a nonprofit organization developed to empower families to live healthy. A team of educators, including a physician, registered dietician, exercise specialist, and chef work together to provide comprehensive, interactive, and fun programs, classes, and services that will give families the knowledge and motivation they need to make the change they desire. Open to all Livingston County residents, including adults and seniors. Fees vary by program, class, or service; scholarships are available. Please refer to www.FitByChoice.org for more details.

IHA Nutritionists

IHA nutrition specialists offer nutrition counseling services at many IHA practice locations. Their expertise can provide you with the necessary knowledge to achieve all of your individual and family dietary needs. IHA Nutrition Services offers one-on-one nutrition counseling, easy to follow, customized eating plans, weight management programs, prevention/management of chronic disease through dietary and lifestyle changes, guidance in managing nutrition science to form healthy habits that will help you look and feel better, assistance with all of the misinformation about food and nutrition, and a healing approach to being diagnosed with medical conditions and their associated symptoms. For more information please visit: <http://www.ihacares.com/additional-healthcare-services/nutrition-services>

Michigan Model for Health™

The Michigan Model for Health™ is a comprehensive and sequential K-12 health education curriculum that aims to give school-aged children (ages 5-19 years) the knowledge and skills needed to practice and maintain healthy behaviors and lifestyles.. It provides age-appropriate lessons addressing the most serious health challenges facing school-aged children, including social and emotional health; nutrition and physical activity; alcohol, tobacco, and other drugs; personal health and wellness; safety; and HIV. This Michigan Model for Health™ facilitates learning through a variety of interactive teaching and learning techniques.

It is designed for implementation as a component of the core school curriculum, with each of the lessons lasting 20-45 minutes in length. The lessons may be integrated in various disciplines such as language arts, science, social studies, etc. Furthermore, some lessons include activities to facilitate parental and family involvement beyond the classroom. The curriculum can be implemented in public, private, or alternative schools.

With support from the State of Michigan Healthy Michigan Initiatives Fund, LESAWISD has been able to offer training and curriculum for schools implementing the Michigan Model for Health®. Ongoing support and technical assistance is available from the Regional School Health Coordinator/Health Education Consultant, Mary Beno, at (517) 540-6838 or marybeno@livingstonesa.org.

My Nutrateg

Online health and wellness website for students and their families to track certain areas of their health such as water intake, food they are eating, physical activity, and sleep. Available through certain school districts. Call (810) 494-0100 or visit www.mynutrateg.com for more information.

PE-Nut

(Physical Education and Nutrition Education Working Together)

PE-Nut is a nutrition and physical education program that uses a whole-school approach to motivate students, parents and educators to be physically active and eat healthier. PE-Nut is designed to improve health behaviors in a school environment by presenting simple, consistent nutrition and physical activity messages via multiple approaches. These approaches include classroom instruction, parent engagement activities, school-wide nutrition and physical activity messages, take-home activities, and physical education with nutrition concepts. Academic achievement improves when students receive a healthful diet and when they can be physically active throughout the school day. In PE-Nut, physical educators, classroom teachers and school administrators work together to improve nutrition and physical activity in K–5 school settings. It fits nicely with the Coordinated School Health (CSH) approach in schools. Note: schools must be over 50% free or reduced lunch to receive this program. For more information, contact Mary Beno, Regional School Health Coordinator/Health Education Consultant for LESA, at (517) 540-6838 or marybeno@livingstonesa.org.

Shapedown[®]

Saint Joseph Mercy Health System offers Shapedown[®], a national weight management program for families. Parents and children work together as a team with a social worker, registered dietitian, and exercise specialist to learn how healthy eating, an active lifestyle, and effective communication promote weight loss and family unity. The program starts with ten weekly two-hour classes. May be covered in part by certain insurances. Scholarships are available. Visit www.stjoesannarbor.org/shapedown

Food Assistance

Emergency Food Assistance Program (TEFAP) and Shared Harvest Pantry

OLHSA, in partnership with Gleaners Community Food Bank provides food assistance and information about other services available through OLHSA and Gleaners, to Livingston County residents in need. Call (517) 546-8500 for more information.

Summer Lunch Bunch

Summer Lunch Bunch is a Community Meals Program offering free nutritious food and summer fun to families with school-aged children. Meals sites are offered all over Livingston County, and feature served meals and fun programming to promote literacy, nutrition education and staying active over the summer vacation. Take-home groceries and fresh fruits and vegetables are available at select locations. To find the location nearest you and learn which days to meet up, please contact Liz Welch at (517) 295-4347 or liz_welch@usc.salvationarmy.org. Summer Lunch Bunch is supported by Livingston Hunger Council and USDA funds. USDA is an equal opportunity employer and provider.

WIC Program

WIC is a health and nutrition program that has demonstrated a positive effect on pregnancy outcomes, child growth, and development. WIC provides supplemental food, nutritional counseling, and support, as well as connections with beneficial community resources. Call (517) 546-5459 for more information or visit www.lchd.org

Mental Health / Substance Abuse Prevention

Burnes & Burnes Psychotherapy and Counseling Services

Providing mental health and substance abuse services to children, adolescents, adults, individuals, couples, and families. No participation fee (cost would be covered by participant's insurance policy). Located at 794 W. Grand River Avenue, Brighton. Call (248) 231-3568 for more information.

Livingston County Community Mental Health Authority

Services and programs for Children, Youth and Families include:

- Parent Support Partner
- Child and Family Case Management
- Parent Infant Program
- Respite
- Child and Family Therapy
- Home Based Services
- Psychiatric Services
- Wraparound

These address a child's ability to control his or her emotions or behaviors or to use information. Examples of problems include depression, bi-polar disorders, post-traumatic stress disorder, anxiety disorders, attention deficit disorders, and conduct disorders. Services support the parent/caregiver with skill building, learning new strategies, and helping build on strengths within the family.

Services for Individuals (including children and youth) with Developmental Disabilities include: Parent Navigator, Case Management, Community Supported Living, Respite, Access to Clinical Services, Personal Emergency Response System. Some examples of developmental disabilities include autism, cognitive impairment and Down Syndrome.

LCCMHA also provides services for adults with mental illness, on-site pharmacy, substance use services, and emergency services. If you are interested in or want to know whether you qualify for services, please call (517) 546-4126 and ask for the Intake and Access Department or visit www.cmhliv.org. Access and 24-hour crisis number: (517) 546-4126 or (toll free) 1-800-615-1245.

Livingston County Catholic Charities

Livingston County Catholic Charities provides mental health and substance abuse treatment for children, youth, adults, and families. The agency is accredited by the Council on Accreditation and is licensed by the State of Michigan. Many insurances are accepted and a sliding-fee-scale is available for the uninsured. Additional information is available at www.livingstoncatholiccharities.org or at (517) 545-5944.

Livingston County Community Alliance (LCCA)

The Livingston County Community Alliance (LCCA) is a county-wide, anti-drug coalition that raises awareness of substance abuse and misuse in Livingston County. The LCCA releases mini-grants, up to \$500, throughout the year to fund adolescent planned and implemented drug awareness projects or activities in Livingston County. Other volunteer opportunities are available, regardless of age. They range from distributing water at the coalition's annual Run Against Drugs fundraiser, to becoming a major advocate in the fight against drugs. For more information call (517) 545-5944, extension 130 or visit www.livingstoncountycommunityalliance.org

Livingston Family Center

Livingston Family Center (4736 East M-36 in Pinckney) (810) 231-9591

Outpatient counseling services to children, adolescents and families. We accept most major insurances and have a sliding fee scale based on household income.

The Connection Youth Services (616 W. Grand River Ave in Howell) 24/7 Line: 1-866-440-SAFE

Crisis intervention, emergency shelter (11-17 years), transitional living program (16-22 years), individual and group counseling, life skills courses, basic need assistance, case management, and drop-in center. All of the Connection Services are free.

The Family Connection Center (121 S. Barnard St. in Howell) (517) 376-6459

Supervised visitation for families affected by domestic violence. Children and adolescents up to 17 years old. Services are free for families with a history of domestic violence.

Key Development Center, Inc.

Key Development Center, Inc. is a 501(c)3 nonprofit, CARF accredited, licensed substance abuse prevention and treatment provider with over 16 years' experience in the Livingston County area. KDC offers a wide range of substance abuse services, including prevention, education, outpatient treatment, screening, assessment, referral and follow-up, and dual enhanced treatment. Please visit our website www.keycenters.org for more information.

The Pinckney Coalition

The Pinckney Coalition is a community-based initiative focusing on healthy choices to reduce youth substance use. The Pinckney Coalition has a youth component - It Stops With Students which is a group of concerned middle and high school students who are meeting to promote non-using attitudes and behaviors within our community. The student group meets weekly at lunchtime during the school year and The Pinckney Coalition meets bimonthly. Please check www.ThePinckneyCoalition.com for more information.

Project SUCCESS

Project SUCCESS, a SAMHSA model program, is a program that prevents and reduces adolescent substance use and abuse. It works by placing highly trained professionals in the schools to provide a full range of substance abuse prevention and early intervention services. In our community, a Project SUCCESS Counselor is placed for one day in each of our local public high schools and middle schools. They primarily work with adolescents individually and in small groups, conduct large group prevention/education discussions and programs, train and consult on prevention issues with school staff, coordinate the substance abuse services and policies of the school, and refer and follow up with students and families needing substance abuse

Shelter & Youth Counseling

LACASA has been helping vulnerable children and adults as they heal from difficult emotional wounds caused by neglect, abuse, and violence. Individual and group counseling available at no cost. Call (517) 548-1350 or visit www.lacasacenter.org for more information.

Youth Sports

Livingston County offers a wide range of high quality sports and recreation opportunities. The programs and leagues vary in length of time, level of skill, and price. In an effort to organize the listings in a clear way, we have listed the providers from community based through private companies. This is not to imply knowledge of skill level, cost, and/or quality.

If you're looking for assistance with a problem and you don't know where to turn, or you simply want information on a particular human service issue, 2-1-1 is for you. It is available 24 hours a day, seven days a week. Just pick up your phone and dial 2-1-1. If you are outside the communities listed above or are calling by pay phone or cell phone, you can reach the call center directly by dialing (866) 561-2500.

New Life Home Health Care MIHP (Maternal Infant Health Program)

New Life Home Health Care's Maternal Infant Health Program (MIHP) is located in Livingston County, and is a home visiting program. We provide care coordination and education for pregnant and infant (through the first year) Medicaid beneficiaries by focusing on the mother-infant dyad. Care coordination services are provided by a Registered Nurse and a Licensed Social Worker, one of whom is designated as the Care Coordinator. The goal of MIHP is to support Medicaid beneficiaries in order to promote healthy pregnancies, positive birth outcomes, and healthy infant growth and development. MIHP services are intended to supplement medical (prenatal and infant) care, and to assist healthcare providers in managing the beneficiary's health and well being. Visit us at www.newlifehhc.com or call 517-586-4013.

***Healthy Habits for Youth* is a community workgroup under the Human Services Collaborative Body.**

Vision: Livingston County youth choose to eat better, move more, avoid unhealthy substances, and connect with others in healthy ways.

Mission: To create a culture of wellness for our youth and foster sustainable improvements in the health of our communities through education, availability and accessibility of resources, and engagement of all community members in the pursuit of health.

A special *thank you* to the local businesses, organizations, and agencies that responded to the call for updates and additions to the guide. These resources have improved and enriched this guide in its 2nd edition.

Should you wish to be included in future editions of this guide or if you are interested in joining *Healthy Habits for Youth*, please contact:
